ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on January 21, 2009. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter requiring attention prior to docketing.

APPEAL BRIEF, STATUS OF CLAIMS

A review of the file finds that the status of the claims as provided in the Appeal Brief filed August 17, 2007 under the heading “Status of Claims” is unclear and/or is not consistent with the status of claims of record in accordance with 37 CFR 41.37(c)(1)(iii). The status of the claims as provided in the Appeal Brief must be consistent with the last **entered** amendment. Each claim on appeal must be identified. *See also Manual of Patent Examining Procedure* (MPEP) § 1205.02 (8th ed. Rev. 6, Sept 2007) for details.

A review of the last entered amendment finds that claims 2-4, 8, and 13-14 are cancelled; whereas Appellants have not indicated the status of these claims. Correction of the status of all claims is required.

Accordingly, it is **ORDERED** that the application is returned to the Examiner:

- 1) to hold the Appeal Brief filed on August 17, 2007 defective;
- 2) notify Appellants to file a paper properly addressing the status of all claims; and

3) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
